4. KAMENZ residents stated that older troops of the regiment had been replaced by 17 to 19-year old recruits some time before.

5. ☐ Comment:

a. The 45th Gds Tank Regt of the 11th Gds Tank Div is stationed in KAMENZ. While it was reported in May 1949 that the component units of the regiment alternately went to KOENIGSBRUECK for practices, the above report indicates that the entire regiment may have been transferred to KOENIGSBRUECK in June 1949.

b. The replacements of older soldiers by recruits was reported from other military posts.
